Evacuation Ships Sail From Shanghai

American Vessels Will Stop in Japan and Manila

SHANGHAI, Nov. 20. (AP)—The American liners *Washington* and *President Taft* left this afternoon with 502 Americans who boarded the vessels here to quit the Orient on advice of the United States State Department.

Aboard the *Washington*, announced by officials as the last special evacuation vessel, were 436 passengers. Some 700 additional Americans are to be picked up at Manila before the liner heads for San Francisco.

Sixty-six Americans boarded the *President Taft* here. Others, from Manila and Hongkong, already were aboard, and more are to be picked up at Kobe and Yokohama.

It is estimated 3000 Americans will have left China by Jan. 1, but 4000 to 5000 will remain.

Soviet Plane Forced Down

BUCHAREST (Rumania) Nov. 20. (AP)—A Soviet Russian plane carrying five officers of the Russian Air Force made a forced descent today on a small lake near the German-guarded Rumanian harbor of Constanta. (The remainder of the dispatch was censored.)

Hungary May Be Axis Base

Fascist Commentators Say Latest Convert Strengthens Position

ROME, Nov. 20. (AP)—Hungary, latest signatory convert to the new authoritarian world order, may serve the axis as a new European war base, the comment of informed Fascists indicated today.

Hungary, in the words of an Italian radio broadcaster, has taken a place in the world line-up against the Anglo-Saxon bloc. Fascists regard the United States as part of that bloc.

Said Virginio Gayda, the authoritative editor of *Il Giornale d'Italia*:

"With her territory on the Balkans' northern border, Hungary brings a no doubt noteworthy and concrete contribution of position and potential force to the axis cause."
