

**ARSENAL OF DEMOCRACY**

No peacemaker in the past has had a more personal appeal to the world. His mission is not one of compromise but of moral persuasion. It is a mission of principle, not of policy. It is a mission of idealism, not of realism. For the American people, he is a symbol of hope. And for the American people, he is a symbol of promise. He is not only a peacemaker, he is a peacemaker in the truest sense of the word. For he is not only a peacemaker, he is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word. He is a peacemaker in the truest sense of the word.

President Harry S. Truman

Dec 30, 1940

**PRESIDENT BARS PEACE TALK NOW; HITS DictATORS: Promises All Possible Aid to the British.**

President Harry S. Truman announced today that the United States would not support any peace talks now being held by the British government. The President declared that the British government must continue its efforts to save the British people from the Nazi war machine.

**THE TRIPLE ALLIANCE**

The Triple Alliance is a military alliance among Italy, Germany and Japan that was established in 1939.

**THE MORTIC DOCTRINE**

The Mortic Doctrine is a military doctrine that was developed by the British Army in the early 20th century. It was based on the idea that a country's military strength was determined by the number of men it could put in the field, rather than by the size of its military budget.

**FOOD FRUGALITY**

That's How We Save, Honey. By Changes.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.

The President's message is not one of peace but of defense. It is a message of strength, not of weakness. It is a message of unity, not of division. It is a message of hope, not of despair. It is a message of progress, not of regression.
